Subject: PLTs

All,

Thanks for coming to EPA to discuss the Rico site on Monday. Attached please find the permit-like things (PLTs) from the Central City/Clear Creek Superfund Site and the Eagle Mine Superfund Site. Paul and I plan to update our management on our conversation. Paul will work with Tony on amending the schedule, and we anticipate meeting at the Site later in the summer to discuss next steps.

Thanks,

ap

Amelia Piggott
